Andre B. Spence, Director of Bands

September 1, 2017

Dear Community Business Leader,

The Oxnard High School Marching Band and Auxiliary, under the direction of Mr. Andre Spence, take pride in representing its school as well as our wonderful city of Oxnard. In recognition of the level of excellence they have achieved, the band is regularly invited to perform all over the city and beyond – including the Fiesta Parade in Santa Barbara, the NCAA Basketball Tournament in Anaheim, a naval ship commissioning ceremony, the Oxnard Christmas Parade, Ventura Fair Parade, Dallas Cowboys Training Camp, the Oxnard Strawberry Festival, the Oxnard Unified High School District events, and so many more community events. The students of this organization are dedicated individuals who are passionate about music and loyal to their school.

The OHS Band Boosters are committed to keeping the music alive at OHS but it can't be done without the support of the community. Your help is needed! Please consider making a donation of money, goods and or services. Funds raised will help defray the costs of music, equipment, uniforms, transportation and other costs associated with the band's competition season.

In challenging economic times, it is our hope that your partnership with the OHS Band will be a win-win situation. There will be opportunities to advertise your business at scheduled band events including, most notably, the celebration of our **33rd Annual "Keepin' the Music Alive" Field Competition** that will take place on Saturday, November 11, 2017 at Oxnard High School. On that day, our school will host 25+ marching bands representing schools from all over Southern California. We are now in the planning process of producing our extensive program booklet which will feature many local businesses in our community. This event will be widely publicized and promoted by media including local newspapers, radio stations, and other local media outlets which will give your business high visibility throughout our community. Prior to the event, we will issue a press release that will include a listing of our business sponsors. Donations are tax deductible. For more information, please contact *Moises Ramirez* at motown0721@gmail.com or call (805) 816-5984. Please also visit our website www.ohsmarchingband.com for additional sponsorship information.
